TO 3600 MAIL ROOM

Sir:

This is a response to the Restriction Requirement of August 31, 2001. Applicants elect without traverse to prosecute Group 1 (claims 14-18 drawn to a method for attaching a headrest guide tube to a seat back frame). Furthermore, because claim 13 is also directed to a method of attaching a headrest guide tube to a seat back frame, Applicants request that this claim also be included in Group 1. It should be noted that claim 13 was not cancelled by the Preliminary Amendment dated March 28, 2001.

Prompt and favorable consideration of this application is requested. If the Examiner notes any minor errors, he is invited to telephone the undersigned so that the matter can be promptly handled by Examiner's amendment.

Respectfully submitted,
EUGENE S. DUDASH, ET AL.
